

DOING THE
MOST GOOD

Let's get outside
and socialize!

I'd like to invite you to meet on your front or back porch or in your yard under a tree for a cup of coffee. You provide the outdoor setting and I'll provide coffee and donuts.

As we social distance and chat, you'll learn how, thanks to you, The Salvation Army is doing the most good.

I'll give you a call in a couple of days. I would love to see you. Talk soon!
