CAN I ENDOW MY LIFETIME GIVING?

For years, your generosity has touched the lives of countless people. But what happens after your lifetime? Will the programs you've supported continue to change lives?

YES by Endowing Your Future Giving.

What is an Endowment?

An endowment is a gift that is placed into a special account that distributes a set dollar amount each year and will continue in perpetuity. This gift can either be for a General Endowment or a Named Endowment in memory or in honor of someone.

General Endowment

Sally helps send disadvantaged children to camp by giving \$1,000 annually. She wants children to continue being helped after her lifetime. Sally makes a gift of \$20,000 to the local community Corps that is held in a General Endowment Fund. The gift earns interest and distributes \$1,000 a year (5%) to send children to summer camp. This gift will honor Sally's compassion and will continue forever helping children in her memory.

Named Endowment

You can create an endowment in your name or in memory of a family member or friend. This Named Endowment can be created with a grant today from your DAF or from your IRA using your QCD. The minimum amount for a Named Endowment is \$100,000. In Sally's case, she may create a Named Endowment honoring her mother, Jane Smith, who sent her to camp when she was a child. Sally will make a \$100,000 gift creating the Jane Smith Endowment for Summer Camp. This generous gift will honor her mother by distributing \$5,000 each year to send underprivileged children to summer camp in perpetuity.
