

# USE YOUR DONOR ADVISED FUND TO MAKE AN IMPACT TODAY!

## How much money is *waiting* in DAFs?

According to the National Philanthropic Trust 2023 Annual Report, over \$252 Billion dollars is sitting and **waiting** to help those in need in our communities.

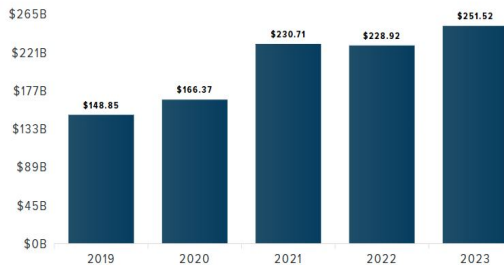

Donor Advised Funds (DAFs) are great tools for giving, and people in our communities need our help. However, until we release the \$252 Billion in DAF funds, there are still critical needs of children, seniors, homeless and others that are not able to be met.

### WHAT CAN I DO?

Call today and we can share with you how your released grant funds can impact the lives of those in need in your community by creating an Endowment to **impact lives NOW and in perpetuity.**

# CAN I ENDOW MY LIFETIME GIVING?

For years, your generosity has touched the lives of countless people. But what happens after your lifetime? Will the programs you've supported continue to change lives?

## YES by Endowing Your Future Giving.

### What is an Endowment?

An endowment is a gift that is placed into a special account that distributes a set dollar amount each year and will continue in perpetuity. This gift can either be for a General Endowment or a Named Endowment in memory or in honor of someone.

### General Endowment

Sally gives \$1,000 annually to send disadvantaged children to camp. What happens to those children after Sally's lifetime? She wants the children to continue being helped. Sally decides to make a gift of \$20,000 to the local community Corps that is held in a General Endowment Fund. The \$20,000 earns interest and distributes \$1,000 a year (5%) to send children to summer camp. This gift will honor Sally's compassion and will continue forever in helping children in her memory.

### Named Endowment

You can create an endowment in your name or in memory of a family member or friend. This Named Endowment can be created with a grant today from your DAF or from your IRA using your QCD. The minimum amount for a Named Endowment is \$100,000. In Sally's case, she may create a Named Endowment honoring her mother, Jane Smith, who sent her to camp when she was a child. Sally will make a \$100,000 gift creating the Jane Smith Endowment for Summer Camp. This generous gift will honor her mother by distributing \$5,000 each year to send underprivileged children to summer camp in perpetuity.
